2026 Assistive Technology (AT)

Pre-Employment Transition Services Virtual Workshop

Dec. 8, 2026 • 9 a.m. - 4:15 p.m. ET

Who Should Attend:

Office of Vocational Rehabilitation (OVR) Counselors and Technology Specialists, K-12 Assistive Technology Personnel, Special Education Teachers, Transition Coordinators, Students and Families

Program Highlights:

- Keynote speaker – Sam Seavey from The Blind Life - "Living the Best 'Blind Life': My Journey, Success and Everyday AT Toolkit"
- Fast-Fire Session – "Transition Tool Slam," rapid-fire demonstration of technology and apps (featuring short videos of AT specialists from OVR, KATS and K-12, introducing some of their favorite apps and tools)

Discussion Panelists:

- Panel Discussion – "From Classroom to Cubicle: Real-World Successes and Pitfalls in Tech Transitions" (featuring Kentucky University Disability Resource Coordinators, OVR Counselors, OVR Technology Specialists, K-12 Specialists and AT Users)
- Funding Panel – "Outside the Box: Local, Civic, and National AT Funding Streams (featuring staff from Kentucky Assistive Technology Loan Corporation, Appalachian Assistive Technology Loan Fund, Medicaid and Kentucky Assistive Technology Services (KATS) - Regional Assistive Technology Resource Centers)
